Runners Flow Yoga Sequence

1. Sukhasana
   Easy Pose

   Start by sitting in a comfortable crossed legged position. Take 5 full deep yogic breaths.

2. Adho Mukha Svanasana
   Downward-Facing Dog

   Step into an easy downward facing dog. Focus on lengthening the spine and working the heels down to the mat. Hold for 5 breaths.

3. High Lunge

   Step your right foot forwarded into a high lunge. Hold for 5 breaths.

4. Anjaneyasana
   Low Lunge

   Place the back knee down. First root both hands down into the mat for 3 breaths then lift the arms to the sky for 3 breaths. Then place the right hand on the mat on the outside of the leg keep reaching up and over to the right with the left arm.
